

Tatunang City Hall

Meeting with the  
Market Merchants

The Dorcon expedition  
was founded to capture  
Akoom, but there hasn't  
been any news about  
them lately.

It's been  
tough in the  
market these  
days.

Rumor has it that  
their population has  
stopped growing.

We need to get  
stricter guidelines  
in place.

The kingdom has  
to take responsibility  
for this.

Thirty minutes later...

Who is doing something like this?

Why is the Auction House...?!

By the Gods...

All of our merchandise are in the storage...?!

Where the storage is...

Flames...?

We were trying  
to make it to the  
bridge earlier and  
suddenly...

Did they get caught up in the explosion?

I think I'm still affected by the shock from the explosion...  
My head is spinning...

Kotomaki must've protected me...

Kotomaki, are you okay? We should keep moving.

Kainak?

What's wrong?

SHAKE

Quinn...

SHAKE

this is BAD!  
VERY BAD!

There's a huge  
amount of malevolence  
gathering nearby!

and fast!

at this rate, food  
supplies will not be able  
to hold out!

we must get  
out of here this instant,  
madam mayor!

Huh? R-Right!!

The bridge...

collapsed from  
the explosion.

What about the  
airship docks .?

They said we could  
kill anyone other than the  
VIP guests, right?

**What?**

A chance to  
play around like this  
doesn't come very  
often.

Hey, both of them  
are pretty. Don't you  
think it'll be a shame  
to kill them?

I knew it was  
a good idea to come  
to this continent

Let's have our  
fun before the  
others get here

i've knocked  
them out

A black chain tattoo  
around their wrist.

They had it, too.

What is that?

What in the  
world is going on?

has regretted

If you have ears, listen.  
If you have brains, think. Let  
me remind you of tonight's tragedy  
and those who have caused  
this tragedy against us:

those who  
have made slaves  
of free men

We are the  
Black Chain

We are the messengers  
of the God of Light, Linasru

Our target is  
not the kingdom

but the Toons, Richards, Lees,  
Whites, Argenerus and Patrus.

These six families,  
and those who seek to keep  
the Slavery Law

These people keep  
tricking the good people  
treating them off like  
livestock.

It is said that it's your  
own fault for getting tricked  
or that you became a slave  
because you're a fool.

What a cruel world.  
What a cruel world.  
What a cruel world.

...

That is not the case!  
They are they evil ones!

The Slavery Law itself is  
evil! Those people used to  
disappear from this world  
along with that law!

Thus we demand

One stop making  
the free people slaves.

Yes, the ruined slave  
merchant families will forfeit  
their fortunes and no longer  
uphold the slave trade.

It is too  
reckless.

That's nothing  
more than a foolish  
request that will be  
ignored.

Three. Can slave trading and release the slaves

At the moment, I have to consider the auction stores, smuggled Dragon Artifacts...

and possibly the capture of high-quality slaves...

But I don't need to make a big move for something like this...

Your goal is beneficial to me,

so I'll help you.

if you choose to  
ignore our demands,

then we will kill every  
human in Viceport for our  
comrades who have fallen

-bang-

the ships are burning...  
so are the archships...

these humans... look

that's why all these  
people are stuck here...

Dadon, can you  
tell me Mr. Dewey's  
location? Is she sister?

what? oh,  
yes, the human  
we met...

she's hiding in  
a closet on the second  
floor about fifty meters  
away from us.

What's the  
point of  
hiding?

madam deana, you're  
not planning on fighting  
them, are you?

but kuroki can  
no longer hold out in  
these conditions

**They're  
bad!**

The slave traders  
are bad, but so are  
these people!

*They...*

*They have this  
kind of power...*

*yet they  
choose not to directly  
confront their  
target.*

*and capture  
innocents instead?!*

*They're  
very bad!!*

*I cannot  
accept this!*

I'm going to look for the Winay and find a way to get everyone out.

Sorry please hold out a little longer.

**BANG!**

Mayor! We've lost contact with the people inside!

The docks are burning!

We don't have enough people to send out because of the fire!

It's an emergency!!

We need to request for backup...

Dark's report.

Dark's report  
Surrender to the  
authorities  
now!!

Surrender to the  
authorities  
now!!

Mayor, what the hell are you doing?!

It's the first time this has ever happened...

All 100 people are safe from the bombs. There is one contractor and the broadcast seems to be controlled by an exterior force. He's gathering people at the auditorium.

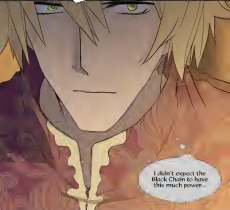

I had Dark keep an eye on Evan during the broadcast!

So this is what he was after.

Someone needs to take the blame for this!

Who... Who can solve this right now...?!
